Where Tradition Meets Modern Excellence

OUR HERITAGE

Vinika Foods Pvt. Ltd. is rooted in Gangavathi, Karnataka, at the heart of the historic Hampi region and the fertile Tungabhadra River basin. For generations, this land's mineral-rich soil and pure river waters have produced some of India's finest paddy — a legacy we carry — into every bag we pack.

OUR VISION

To be recognised globally as the benchmark for premium Indian rice — combining traditional farming expertise with advanced milling technology, and never compromising on purity, hygiene, or taste.

WHY GANGAVATHI RICE IS SPECIAL

The Tungabhadra basin's unique microclimate and mineral-dense soil give Gangavathi paddy its distinct aroma, slender grain, and superior cooking performance — qualities that have made this region synonymous with quality rice for generations.
